### **DEADLY KIDS AWARDS**

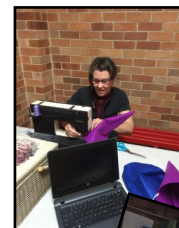

Aboriginal students in the Sydney region were recognised for their academic achievement at a ceremony on Tuesday 9 September as part of the 2016 Deadly Kids - Doing Well Awards. The awards are a highlight of the Public Schools NSW Aboriginal Education calendar each year. They celebrate the academic achievements, leadership skills and attendance of Aboriginal and Torres Strait Islander students in Sydney's public schools.

I am proud to announce that Darius Welsh was nominated and received his award yesterday at this wonderful event. I was honored to be a part of this special day and see him collect his award. Well done and Congratulations Darius.

### **PROP MAKING NIGHT**

Last Wednesday afternoon we held a prop making session to support our Canterbury Tales Production. Thank you to all the parents who came along to help. We appreciate all that you do to support CSPS initiatives. It was a successful afternoon where we managed to sew mice, construct trees, make flowers, sew hats, spray costumes and cut leaves. We look forward to the performances knowing that our community was part of the program.

## Musical.ly APP

It has come to my attention that students at the school are using this app. It should be noted that the legal age for the use of this app is 13+

Some of the activities your children are engaging in are illegal. It is ultimately the responsibility of parents to monitor what their child is doing in online forums, in particular what they are posting and who they are inviting to follow their profile. Because such activities are taking place outside the school but having an impact on the safety and learning of students at CSPA I have asked the police liaison office to visit and speak with Stage 3 students. Constable Bottalico has made it very clear that this is a warning and that charges can be and will be made to any child continuing to use online forums inappropriately. Since his visit I have heard of an alarming number of Stage 2 students who are also using this App. I have again invited constable Bottalico to the school to address Stage 2 early next term. Now that the holidays are here, we ask you to please monitor carefully what your child is doing online. We often use devices as an alternative tool to occupy our children but not being three steps ahead or putting in place parameters can lead to dangerous, inappropriate activity. Take this opportunity to look at some of the tips and tricks included in the last newsletter about being a digitally effective parent. Online activity plays an extremely important role in the lives of 21<sup>st</sup> learners if used correctly.

## CORRESPONDENCE

Of late I have been receiving anonymous mail from members of the community. These matters have not always been directly related to the school or my role as the principal. I have always held an open door policy and welcomed families to come and speak with me about all/any matters of concern. It disappoints me that this method has been adopted to communicate matters with the school. The anonymity makes it difficult for me to address the issue and ensure matters are dealt with appropriately. Please note, I will not be addressing anonymous mail that is not directly associated with school practices and procedures.

We hope you all have a happy and safe holiday. Students return Monday 10 October 2015.

Until next time.... *Daniela Frasca, Principal*

## **Winter Sport Gala Day**

On Monday 12 September Year 3-6 students participated in a winter sports gala day against other schools in our zone. The students developed skills in netball, soccer and touch football. A great day was had by all the students involved. Some very pleasing results were achieved.

## **Regional Athletics**

On Tuesday 13 September Poura Framhein represented the Wiley Park Zone at the Regional Athletics Carnival in long jump and 100m sprint. Congratulations to Poura on coming 5<sup>th</sup> in 100m and 9<sup>th</sup> in long jump.

## **Parent Reciprocal Teaching**

Thank you to Mrs Campisi and Mr Kadri who gave up their time last week to share their knowledge with our Stage 3 students. Mr Kadri spoke to the students about the National Broadband Network and Mrs Campisi taught the students how to play a ukulele.

## **Elsa**

Elsa has been invited to attend a conference on Cockatoo Island next term. What a lovely way to show case our school and the talented students and teachers we have. Elsa will be on display at a food and agribusiness event on November 3 where international guests and industry leaders will be present. Over 1000 people will get to see Elsa as part of the Food and Agri industry promoting F2F (Farm to Fork). We wish Elsa good Luck on her adventure.

## **Head Lice**

There have been several cases of head lice across the school. With the upcoming holidays, please take the time to check your child's hair and treat as necessary.

## Stage 3 Ukelele Lesson

Last Tuesday, Mrs Campisi visited Stage 3 and gave both classes a fantastic ukulele lesson. Very quickly, we learnt to play "Put the Lime in the Coconut", accompanied by drums. It was lots of fun - thanks Mrs Campisi.

## Problem Based Learning

To apply fractions to every day life, we were given a problem we had to solve. We had to cook two types of cookies and one banana bread for 30 people. Unfortunately, one recipe was for 20 people, one was for ten people and one recipe was for 60 people. This meant, we had to divide and multiple fractions accordingly.

To add to the problem, we had to add our final fraction quantities for the three recipes to give Ms J for a shopping list. THEN, she made it even harder, she said she already had certain quantities in her pantry, which meant we had to subtract fractions.

Once we perfected our fraction quantities for the food, Naz came along and helped us cook. The recipes worked out perfectly - which means our maths was perfect! We got to eat the final product.

## Stage 3 Canberra Camp

On Tuesday 21 September - Wednesday 22 September, forty-three Stage 3 students visited Canberra as part of their History unit Australia as a Nation. Whilst in Canberra the students visited the Australian War Memorial, Questacon, Telstra Towers, Parliament House and the Electoral Education Centre. It was marvellous to see that the students were able to make connections with all the knowledge they acquired in class History lessons. Well Done Stage 3 students who attended camp!

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion, the Australian Government contributed funding of \$20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate was paid directly to the school and the reduced cost was passed onto parents.

## From the P&C

### Term 4 P&C events – save the date!

- *Friday 21 October: 1G and 1SP Afternoon Tea Stall (Week 2)*
- *Friday 28 October: Spooky Disco (Week 3)*
- *Friday 18 October: KD and KA Afternoon Tea Stall (Week 6)*
- *Monday 7 November: Last day for Crazy Camel orders (week 5)*

### Well done Treasurer Caroline!

This week, our very own Treasurer Caroline Aow attended the Commonwealth Bank Not-for-Profit Treasurers' Awards as a finalist!

The Awards recognise the unpaid contribution community treasurers make to hundreds of thousands of community groups (including school P&Cs) around Australia. The competition called for Treasurers to share innovative ideas around working in the not for profit sector. At stake were 3 prizes of \$5,000 for the School!

Commonwealth Bank received 350 entries and we are proud to say that Caroline was selected as one of 30 finalists. Whilst she didn't secure one of the cash prizes, she is to be commended for making it to the final!

### Report: Bunnings BBQ – Wednesday wonders

On Wednesday we ran our first weekday Bunnings BBQ. It was a great day despite the weather and perfect opportunity to raise \$705 in profit from outside our school community.

Huge kudos to our small but dynamite team- Fiona, Trish, Helena, Liam, Cathy, Maria & Naz. You guys put the sizzle in sausage sizzle!

### Coming Up: Afternoon Tea Stall – Friday 21 October

1G and 1SP will be hosting our first Afternoon Tea Stall for Term 4.

Families are encouraged to bake or make a goodies to contribute (some creatively healthy ones are always popular) and either bring it to the stall just before 3.15 or leave it in the staffroom throughout the day. Helpers to staff the stall are also needed.

Remember, all items are 50 cents and great for an end of the week treat!!!!

### Spooky Disco – Friday 28 October

A highlight of the P&C Social calendar is the *Spoooooooky* Disco.

Children are encouraged to dress up in Halloween themed costumes to dance the night away to their favourite tunes.

There will be a multicultural food stall featuring lots of wonderful offerings and we will have face and nail painters too.

OSCH sideshow games return-think slime and ooze and lots of fun!

This is a family event, so everyone is encouraged to come along. The families of the 2017 Kinder kids have been invited to attend so it's also a great opportunity to welcome new people!

A gift stall will be out on the night too, so get in early for the home made goodies!

As usual, volunteers are appreciated to make the night run smoothly. If you can spare some time to contribute towards making this a great event, please look out for the sign-up sheet outside 1G classroom or email us!

### Crazy Camel – Christmas gift ideas made easy!

It's back! Once again, we will be coordinating a Crazy Camel order.

**What is Crazy Camel?** Crazy Camel is a school fundraising company who produce a range of personalised calendars, family planners, pillowcases, greeting cards, notebooks, diaries, sketch pads, iPhone cases and tea towels.

**How does it work?** In the first week of Term 4, a pack will be sent home to each family with special art paper and an order form. Your children's artwork (or a photo) can then be transformed into professionally printed products which make lovely gifts for family and friends.

**Need more details?** Wait for the pack to arrive home and if you have any questions, email or chat to Frances, Naz or any member of the P&C Executive. We also have samples of the items available for inspection!

### Next meeting

Our next meeting will be Tuesday 25 October at 7pm.

The P&C is proudly supported by
