## Message from the Principal

### PSSA Survey responses

In order to make informed decisions with regard to sport in 2018, a PSSA survey was sent home to students from Year 2 to Year 6.

A hard copy of the survey was sent home and emailed on the same day. A reminder email with an extension to the original due date and an APP notification only saw 67 responses from a possible 124 returned.

At this stage, it is difficult to form teams based on the number of interested students/families.

Therefore, the decision has been made to NOT to go ahead with PSSA at this stage. We will not be a part of the Gala Days in 2018, however, we will ensure our students participate in competitive sports programs when the opportunity arises.

### End of Year Picnic

This year our end of year picnic will be at Clontarf reserve. There will be an opportunity for our students to participate in water play at different times of the day. There will always be five staff in and around the water including a lifeguard to ensure our students are safe at all times.

**ALL** students will be wearing hand bands that identify their swimming ability and/or permission to be in the water at all.

As you can imagine all staff will be on high alert for the duration of the day. We ask parents to understand and appreciate the significance of our safety requirements. We also ask parents who come along to respect teacher instructions and expectations. Your child **MUST** remain with their class teacher at all times.

We are looking forward to an enjoyable day and hope the weather is good to us!

Until next time...

## Tony Bourke Christmas Card Competition

On Thursday 23 November, Max Casarin, Jake Kennelly Olivia Tsigaropoulos and Clara Salim were invited to attend the Tony Bourke Christmas Card Competition Presentation Day.

Max, Olivia and Clara were finalists in the competition and Jake was the overall winner for the Luna New Year Card Competition. The students were delighted to meet The Hon Tony Burke MP who acknowledged their outstanding Artwork.

## Stage 1 Excursion - Greek Orthodox Community Home for the Aged

In week 6 the Stage 1 students went to the Greek Orthodox Community Home for the Aged. The students made Christmas craft gifts for the residents who loved receiving them. The students entertained the residents by singing Christmas carols and other beautiful songs. The residents and staff were very impressed with the behaviour and talents of our students and we were invited to come along and visit again soon.

## The CSPS Reverse Christmas Tree Appeal

### What is a Reverse Christmas Tree?

This is when students or their families bring a present to put under a tree instead of receiving a gift from under the tree.

### Where will the gifts be donated?

This Christmas we would like to give back to the community by being involved in The Smith Family Toy & Book Appeal. Please help us to support and help disadvantaged families and put a smile on their child's face this Christmas.

How can we do this?

We are kindly asking CSPS families to bring in a wrapped and labelled BOY or GIRL gift of a new toy or book **ANYTIME BEFORE Carols night** on 8 DECEMBER - Place it under the Reverse Christmas tree located in the Office

**ON CAROLS NIGHT-** Place your gift under the Reverse Christmas tree on Mana Ngurang.

## Taking enrolments for 2018

We are currently taking enrolments for all students as well as students starting Kindergarten in 2018.

If you have neighbours who are in area for Canterbury South PS, who have a child turning 5 before the end of June 2018 please encourage them to enrol now.

## Music Bus

Last weekend some of our students wowed audiences at the annual Music Bus Concert in the school hall. The students worked really hard to learn these musical pieces during their Music Bus lessons each Thursday and practised at home. The students were exceptional and played a variety of instruments during individual and group items.

## Coffee & Chat

Coffee & Chat this Friday 1 December will be the last for one for 2017. I look forward to seeing you all there straight after the assembly. Come along and have a casual chat as we wrap up yet another busy exciting year.

## Ethics Teachers Needed

Calling for Ethics teachers!

We are delighted to be able to provide ethics classes for all stages at Canterbury South Public School however in order to be able to continue the momentum we need more volunteers for next year.

Ethics teachers need to undertake a two day training course and be available for half an hour on Thursday mornings between 9 and 10.

If you are interested in learning more about how the program works please contact Canterbury South Public School Ethics Coordinator, Annabel Davis, on 0402 940 661 or [annabeldavis@icloud.com](mailto:annabeldavis@icloud.com)

## Leaving students

If your child/children are leaving Canterbury South at the end of the year please ensure you advise the Office in writing before Friday 1 December as we are finalising numbers for 2018.

## Fun Day

Year 6 ran their annual Fun Day on Friday 24 November. It was great to see some new and original stands. Madame Gertrude and Madam Helda revealed our futures in their fortune telling tent.

The Medieval Battle field was also a new idea! Other stalls were the Teacher Baby guessing competition, pie throwing, lollie guessing competition water battle field and face painting. The café was very well stocked this year. Thankfully, it was a very hot day so 6J took the opportunity of dunking as many teachers as possible. The day was a great success.

Thank you to all parents for supporting the day and to the P&C for helping out with the jumping castle. Finally, a big THANK YOU to our pre-service teachers who helped run the stalls and made the day so easy!

### Water

Tap water makes the best drink!

Not only is it thirst quenching, but also contains fluoride which helps make teeth stronger. Here's what water has to offer:

- it is cheap and readily available
- it doesn't contain any kilojoules or sugar
- it encourages optimal function of the body

We should all aim to drink between five to eight cups of water a day. In the warmer months it is important to keep well hydrated. Always have water available when children are active. Encourage them to drink water regularly, even in cooler months.

### Milk

Milk is a good source of calcium, which gives children healthy bones and teeth. It is recommended that children have three serves of calcium rich foods a day. A glass of milk, a slice of cheese or a small tub of yoghurt, are each considered one serve.

Due to the high energy needs of babies and toddlers, reduced-fat milk is not suitable for children aged less than two years. However, from the age of two years, drinking too much milk can reduce a child's appetite and contribute to excess energy consumption. Therefore reduced-fat milk is recommended for children two years and over.

*Bringing together parents, carers and citizens to promote the interest of our school and students!*

Dear Families,

**Let's get ready to raffle...** It's shaping up to be a great raffle so far. Look out for tickets on sale this week and a growing list of prizes on offer.

To ensure **School Banking** is able to continue in 2018 and beyond we need someone that is able to take over from Debbi as her child heads off to high school. This role requires about **1-2 hour a week on Fridays**, to take the children's deposits, order prizes and deposit funds at the bank. Another **massive thank you to Debbi and Esther** for their commitment to this role! Along with providing a **valuable service** to our families and teaching our kids the rewards of saving, Commonwealth Bank **donates 5% of all deposits to our P&C** which goes directly towards resources for our students.

I would like to apologise for the cancellation of our final meeting due to circumstances outside our control. I would like to remind everyone that 2018 brings an opportunity for parents to join our **P&C Executive team** or its **subcommittees**. Joining the team is a great way to keep informed, contribute your skill set to the quality education of your children and make new friends. The 2017 team have enjoyed gaining a better understanding of how the school and its community operates.

Have a great week everyone.

P&C Team
