CSPS Chatterbox Week 6 Term 3 2020

PRINCIPAL'S REPORT

Mural

During Education Week all classes contributed to the painting a whole school mural. The walkway outside the library has come to life with all students participating in this opportunity and 'learning together'.

What a super talented group of people we have at our school both big and small!

School Administrative and Support Staff Recognition Week

This week is School Administrative and Support Staff Recognition Week, a time to acknowledge and thank the often, unsung heroes in our public schools. Our SASS staff play an important role in the school community. They are often the first people you see when you enter a school and are essential to maintaining positive relationships with students, parents and the community.

SASS staff work in school offices, classrooms, libraries and maintaining and caring for school grounds and buildings. They are often the ones to tend to students when they unwell and they ensure the efficient management of school financial and administration functions. With that said, CSPA would not be the amazing school without our amazing SASS staff made up of Mrs Martin, Mrs Morrison, Mrs Tsoustouras, Mrs Fraser, Miss Danielle and Mr Zoran.

On Monday we had a lovely morning tea to show our appreciation for the work they do and for always going above and beyond to support us all.

Play time

Finally, our students have been able to enjoy the freedom of playing up on the green grass near the primary rooms (Napier Street). Stages will be rotated over the week to ensure that cohorts enjoy the space together. This will include K-2. While the students enjoyed the play area, I was able to enjoy Mr Zoran's new toy!

Kindergarten Enrolments

If you or someone you know has a child who is wanting to enrol in Kindergarten 2021 and have not already done so, please contact the office immediately so they can be included on our mailing list.

While we will not have a physical Kindergarten Transition this year due to COVID-19, we will have a virtual version for our Kindy families via Zoom. Below are details of the session dates and times.

An email will be sent with more details on how to connect closer to the session.

Principal

COMMUNITY NEWS

Gymnastics

This term the ladies from Fit Futures have returned to continue the Gymnastics program with the students.

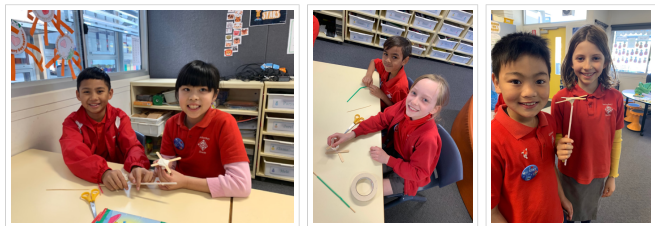

Science Week

This year's Science Week Theme was 'Deep Blue: innovations for the future of our Oceans'. Each class enjoyed a week of Ocean themed activities to explore the importance of the environmental and social sustainability of the sea.

Some of the activities included: investigating how taking 3 pieces of rubbish (Take 3 for the Sea!) with you when you leave a natural waterway can help the waterway's ecosystem, learning about the layers of the Ocean, investigating how whales keep warm by experimenting with a blubber like

substance and mini STEM tasks about how objects float and designing boats.

School Photos

The main day for school photos will be on **Monday 7 September** with a second day for group and sibling photos on **Wednesday 15 September**.

Orders can be made online using the unique online order code located on envelopes. Alternatively you can pay with cash using the envelopes. Please ensure **ALL** envelopes (cash and online orders) are returned to the school office by Friday 4 September.

Envelopes were sent home in Week 4. If you did not receive it or you would like a sibling photo taken, please collect an additional envelope from the office.

Leader News

The new grass is open on Napier Street. Stage 2 and 3 were really excited to finally be able to play on it and have a bigger space to play and run around in at lunchtime.

The first round of Gymnastics has finished with the second round starting yesterday until the end of this term. I think we can all agree, it was a great experience.

Speeches for the Public Speaking Competition are due. Everyone has done a great job and good luck to all the eventual finalists.

Middle School has begun and is progressing well. All the students are enjoying it with the many different subjects, for example Geography, Maths, Ukulele lessons, sport and project-based learning.

Wear it Purple Day

At Canterbury South, in everything we do, we ensure students are safe, supported and empowered, a message echoed throughout our school plan.

Wear it Purple Day this year is on **Friday 28 August**.

At CSPS we share the same message and acknowledge that we are all worthy of love and respect and should be proud of our individuality. It's a time to recognise that families come in all

shapes and sizes and a time to celebrate the rich diversity of our community.

In the PDHPE Syllabus Document, the Strands 'Growth and Development' and 'Interpersonal Relationships' outline modules of work listed below that also teach the same message.

STRAND	Growth and Development	Interpersonal Relationships
ES1	I am Special	Me and My Friends
STAGE 1	There is only one ME	Getting Along with Others
STAGE 2	My Growing Self	Building My Networks
STAGE 3	Getting It Together	Playing My Part

Any child who chooses to come to school in purple mufti on the day will be supporting the message of *No one should be subject to bullying, belittlement or invalidation*.

The students in Stage Three have organised a *purple lolly guessing competition* and ribbons for each class as well as the designing and displaying of posters around the school.

AWARD WINNERS

Alexander C - KB

Tamsin C, Dash K, Joanna L - KRM

Misheel D - 1/2K

Ryan C - 1/2F

Demi A, Isaac M - 3/4M

Alana D - 3/4T

Elizabeth T - 5/6D

EXTRA CURRICULUM

Thank you for your continued support

Learn Music on Keyboard or Guitar at School **Enrol now, start Term 3!**

- Convenient at-school venue with additional health & safety measures in place
- Small group, 45 min weekly lesson

Program Highlights

Our July Vacation Care was a success! The children were involved in many different activities. Some of the popular activities included Art and Craft Designs, Cooking Activities, Origami, Group Games and many Spontaneous activities. During Vacation Care for Art and Craft the children did marble painting, clay modelling, sandpaper art, salt dough ornaments and painting them, foam art painting and bubble wrap painting. For Cooking Club, the children made Cream Puffs, Raspberry Kisses, Lemon and Poppy Seed Friends, Wafer Rolls, Buttermilk Scones, Lemonade Cupcakes and Lime Cheesecake bites. Origami was made during Vacation Care, the children demonstrated fine motor skills in creating paper boats, origami paper fish, puppy dog faces, sharks and chatter boxes.

As we commenced Term 3, the educators will continue to implement our Centre Clubs. For Cooking Club Amanda and the children made homemade scones served with jam and cream. For Sports Club, the children did hip hop dancing and performed in a dance off and sing off. For Art and Craft, Christine implemented a sketching activity of famous artworks from different types of Artists.

As spontaneous activities, the children have been participating in different activities such as hama beads and other beading activities. The children made friendship bracelets, necklaces, earrings and keyrings with the hama beads. A drawing competition was taken out with Diandra, the children drew pictures that included the map of Australia, cars, different cartoons and different fruit and vegetables. Lego houses have been built as well as mobile buildings. The Geo boards have been used with elastic bands to create different patterns and designs.

For Outdoor play, the children set up their own obstacle course using the hula hoops, beam bags, stilts, bouncy balls and skipping ropes. They also created their own maze using the rope to get to the other side. Skipping has been a popular outdoor sport as well as a game of spike, soccer kicks and ball passes.
